

## About Us

EFL is a **unique** European network uniting housing providers, innovative private firms and leading academics to drive affordable and sustainable housing solutions. In 15 countries with over 70 members.

EFL empowers your organisation to **connect, innovate and influence** at the highest level.

At the heart of EFL is the power of **collaboration**. Membership gives you access to a vibrant, member driven network of Europe's **top** housing professionals.

EFL is a Pan European Network, forging relationships with **leading peers** who share your vision. You learn directly from other CEO's, development directors and experts, tackling similar challenges.

## What we do

Organisation of exclusive **Events & Forums**: engage in members only conferences, seminars, topic groups, webinars and study visits.

Continuous knowledge sharing across borders through EFL's online platform and **staff exchange** programs.

Join specialised **Topic Groups** on finance, social innovation, digitisation, construction and others to collaboratively problem solve and stay ahead of trends.

Creating **Sustainable Solutions**: Build a **future proof housing portfolio** with insights gained from across our international network by sharing real world results that work.

Delivering you **Best Practice Tools** & research: EFL produces guidelines, studies, toolkits and publications that turn cutting-edge knowledge into practical, **tangible outcome**.

# CONNECT WITH OTHER INNOVATORS IN EUROPEAN HOUSING

# Membership benefits us all

Joining EFL amplifies your organisation's impact through cooperation and **collective influence**. Alone, even large housing providers have limited reach- but together within EFL, we form a **powerfull voice** which unlocks opportunities to partner on **transformative projects** and help shape funding priorities.

## Why join Us?

- 1** By joining EFL you equip your company or organisation with the connections and knowledge to excel in a changing world of housing.
- 2** EFL offers both executives and staff an inspiring network of international peers with continuous exchange and mutual learning.
- 3** Hearing about new research and innovations in property and community development across borders before anyone else.
- 4** Enjoying the inside track on EU funding, and giving yourself an even great community for joint projects.

## Our Mission

EFL's vision is for its unique make up of members to be at the forefront of economical and sustainable social housing community development in Europe, through quicker and better access to research, new innovations and funding than any other route.
